TOPOGRAPHICAL MAP DIRECTORY

CHITTENDEN COUNTY, VT.,
By - BAKER, IILDEN & CO.
From actual measurment by Instrumental survey throughout the whole County, node: the direction of R. F. WALLING, State Engineer of Mass. THE UNDERSIGNED PROPOSE TO PUBLISH

by order, a large and accurate Topographical Map of Chattenden County, from thorough and care-tul survey, under direction of H. F. Walling, Civil Every road has been carefully surveyed by course and distance, and the locations noted of all the Public Roads, Dwellings, I hurches, Post offices, Hotels, Stores, School houses, Factories, Mills, Shops, Hills, Ponde, Marshes, Streams, &c. The names of Preservy ke devs generally—excefully including those who order for the work—will be engraved upon the map, showing the exact location of each.

Extra maps of the Principal Villages will be engraved upon the margin of the Map; also a Table of Distances, showing the number of miles from each Post office to every other throughout the County, together with the latest statistical information. An orn-mental border will surround the Map. The Map will be engraved by the most skillful artists in the Country, handsoniely colored and mounted, and will be delivered to those who orders for Fire dollars per Copy. Every road has been carefully surveyed by course of appetite, and Billious headache, which has of late years overtaken me in the spring. A few dones of your Pill curel me. I have used your cherrs Pecteral many years in my family for coughs and colds with unfailing success. You make medicines which rare, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN P. BEATTY, Esq., Sec. of the Penn Railroad Co., says:

"Pa. R. R. Office, Philadelphia, Dec. 13, 1853.

"Sir: I take pleasme in adding my testimony to
the efficacy of your medicines, having derived very
material benefit from the use of both your Pectoral
and Cathartic Pells. I am never without them in
my family, nor shall I ever consent to be, while my
means will procure them."

The widely removed S. S. STEVENS, M. D., of
Wentworth, N. H., writes:

"Having used your Cathartic Pills in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered furgtions of the live., causing headache, indigestion,
costivences, and the great variety of diseases that
follow, they are a surer remedy than any other. In
all cases where a purgative remedy is required, I
confidently recommend these Pills to the public, as
superior to any other I have ever found. They are
sure in their operation, and perfectly rafe, qualities
which make them an invaluable article for public
use. I have for many years known your Cherry

Having completed from actual surveys a Map of Chittendon Counts as above, and employed skillful attiets to engrave it in a supe is momen, I have arranged with Mesers, taker, filden & Oo, to publish the work. These gent umen have for several years be a suggested in the prication of Topographical Maps, and are excelled by tone in the high repetation they have sequired in this occupation. I confidently be someoff them or repunsible, energetic and gentlementy in all their transactions, and am extant that they will be they invariably have done, give entire satisfaction to all who may have dealing with them.

Singer's Sewing Machines.

THESE CRLEBRATED MACHINES ARE IN practical and profitable use in all parts of the civilized world. In all the various trades, and in sewing every sort of fabric, either of cloth or leather, they have been fully tried and proved. Sewing machines of other manufacturers often fail to work, but Singer's Machines always operate perfectly, being strong, durable and complete in contrivance and workumarking. A perfect sewing machine kept employed affords a clear profit of \$1,000 a year; but an imperfect one is a cause of constant vexation and loss. The entire sextantity of our machines is one great reason for their unnaralleled ponu-

MACHINES FOR FAMILY SEWING,
of a frail and delicate construction, are recommended by other manufacturers. Such machines are
made to catch the eye, not to perform substantial
work. The truth is, family sewing machines ought
to be stronger than any other, because they go into
less skilful hands than when sold to manufacturers,
and are used for a greater variety of work. The
machines which have proved best for all other purposes must be best for family use, and they are
Singer's. The speed of our machines has lately been
doubted. No other can compare with them in quantity of work.

dy, who remed of our machines has lately been deadled. No other can compare with them in quantity of work.

Try leases, rer and least large of the latest improved style will be exchanged on liberal terms for old sewing machines of our own make, or for operative unchines of other manufacturers. Local agents wanted to sell our machines, and obtains it by applying for a copy of "I. M. Singer & Co.'s Garette," a paper devoted entirely to the subject. It will be sent gratis.
